

5 CHANT, THE WINSOME**1 MUTT, THE SELFLESS****0 DENIER, THE PACIFIC***I'll give us the edge in any outcome.*

! ...for any result of the die roll:
Add half of the die result to any other of your die rolls.

! ...for any result of the die roll:
Subtract half of the die result from any of your opponent's die rolls.

*I'll take the hit.*

! ...when any of your characters is attacked:
Redirect the attack onto this character.

*I won't fight, but gladly leave.***4 JOINT, THE INSPIRING****3 VANDAL, THE IMPETUOUS****5 SNOB, THE POMPOUS***I push the others and they drive me.*

! ...for any result of the die roll:
Attack another character with the die result limited to half of your lowest health.

! ...on the first attack in your turn:
Restore health of one of your characters by a third of the inflicted damage.

*When I take action all will get some.*

! ...for any result of the die roll:
Attack all characters of the opponent with a third of the die result.

! ...when the die result equals 4 or more:
Deal 1 damage to all of your characters.

*I can't suffer any low life.*

! ...when this character enters field:
You must return one of your characters with lowest life to your deck.

! ...for any result of the die roll:
Attack another character whose life is less or equal to the die result with 2.

2 MEEK, THE DIFFIDENT**7 CHAMP, THE RUSTY****3 TIES, THE IMPERIOUS***For each one beaten I gain some grit.*

! ...when the die result equals 3 or less:
Attack another character with half the health of this character.

! ...when the die result equals 4 or more:
Attack another character with the health of this character.

! ...when any opponent character is eliminated:
Increase health of this character by 1.

*Half the time I still outshine those youngsters.*

! ...when the die result equals 4 or more:
Attack one other character with 3.

! ...when the die result equals 4 or more:
Attack two other characters with 2.

! ...when the die result equals 4 or more:
Attack three other characters with 1.

*I shift the ranks to our heart's content.*

! ...for any result of the die roll:
Look at the number of cards from your deck equal to half of the die result. Decide for each character whether to stay on top or move to the bottom of the deck.

! ...for any result of the die roll:
Look at the number of cards from the opponent's deck equal to half of the die result. Decide for each character whether to stay on top or move to the bottom of the deck.

4 WILY, THE IGNOBLE

2 NOSH, THE COOK

3 VINDIC, THE RESENTFUL

I know some tricks to make them flinch.

There is always time for snacks.

I pay it back for the last one out.

...for any result of the die roll:
Attack another character with a third of the die result.

...when the die result equals 5 or more:
Suspend the character you attack.

...when this character enters field:
Increase health of all of your characters by 1.

...when this character leaves field:
Reduce health of all of your characters by 1.

...at the beginning of your turn:
Restore health of one of your characters by 1.

...when this character enters field:
Set health of this character to the life of the top-most on discard pile.

...for any result of the die roll:
Attack another character with the die result limited to half the health of this character.

7 SKILL, THE JADED

2 FRAIL, THE BOUNTIFUL

4 TIMID, THE SOCIAL

I'll fight strong but can't carry on as long.

I'll give ours a leg-up one at a time.

With the others around I thrive.

...for every action of this character:
Reduce health of this character by 1.

...for any result of the die roll:
Attack another character with half of the die result.

...for any result of the die roll:
Defend one of your characters with half of the die result.

...for any result of the die roll:
Restore health of one of your characters by a third of the die result.

...when the results of both die rolls do not equal:
Restore health of one of your characters by the lower die result.

...when the results of both die rolls equal:
Restore health of one of your characters fully.

...when the die result equals your field count:
Attack another character with 3.

...when the die result is less than field count:
Attack another character with 2.

...for any result of the die roll:
Increase the attack of another character by half the die result limited to your field count.

5 RAMPART, THE STURDY

2 LOON, THE UNLIKELY

3 DOYEN, THE CAPTIOUS

Whatever they throw at us I fend off.

I've got only one chance to take one out.

My mere presence spurs and fazes alike.

...for any result of the die roll:
Defend this character with the die result.

...for any result of each die roll:
Defend another one of your characters with half of the die result.

...for any result of the die roll:
Eliminate this character.

...when the die result equals 5 or more:
Eliminate another character as well.

...for each of your die rolls equal 4 or more:
Increase the effect of that die roll by 1.

...for each of the opponent's die rolls equal 3 or less:
Reduce the effect of that die roll by 1.

4 RIPOST, THE PATIENT

2 CHARY, THE HELPFUL

3 PONIARD, THE BOLD

I'll wait for their every move.

X ...for every opponent attack:
Deal 1 damage back to the attacker.

! ...for any result of the die roll:
Defend this character with half of the die result. Any excess over the incoming damage is dealt back to the attacker.

I will help with anything and step back.

X ...for any result of the die roll:
Increase the effect of any action of one of your characters by half of the die result.

! ...when the die result equals 4 or more:
Return this character to your deck.

To beat them I'm willing to take some risks.

X ...when the die result equals 5 or more:
Attack another character with 4.

! ...when the die result equals 1:
Get damage from the attacked equal to half their life.

? ...when the result of a second die equals the first:
Eliminate the character you attack.

5 THUG, THE BELLIGERENT

5 BRAGGART, THE COCKY

5 STALL, THE DRAMATIC

Nothing gets me going like a good brawl.

X ...for any result of the die roll:
Attack another character with the die result reduced by this character's health.

! ...for any result of the die roll:
Redirect damage from another one of your characters onto this character equal to half of the die result.

Let me try and be impressed.

X ...in your turn:
Use 1 die for the second ability of this character.

! ...when the die result equals 6:
Attack another character with 6.

When the others are out I'll step in.

X ...when the die result equals 3 or less:
Attack another character with half the count of characters on your discard pile.

! ...when the die result equals 4 or more:
Attack another character with the count of characters on your discard pile.

? ...when this character is eliminated:
Deal damage to the attacker equal to half the count of characters on your discard pile.

4 BRUISER, THE RAMPANT

4 MIME, THE OBLIVIOUS

5 EQUIL, THE TRUSTED

In bout I won't restrain myself a bit.

X ...for any result of the die roll:
Attack another character with the die result limited to this character's health. Reduce the health by any amount of the die result exceeding it.

I can do anything but remember.

X ...for any result of the die roll:
Repeat the latest action done by any character with this character and the die result.

I'll make our strongest brace the others.

X ...for any result of the die roll:
Restore health of one of your characters by half of the die result. Reduce that of another one of your characters by 1.

! ...when the die result equals 5 or more:
Increase health of one of your characters by 1.

? ...for any result of the die roll:
Reduce health of one of your characters by 1.

3 CHIEF, THE PRUDENT**8 STALWART, THE DEVOTED****4 CUSS, THE SUDDEN***I'll align our team to any challenge.*

- ! ...when the die result equals 3 or more:** Suspend one of your characters.
- ! ...when the die result equals 6:** Return that character to your deck.
- ! ...when the die result is even:** Half the die result and draw that number of characters from your deck. Bring one of them to the field and put the others back under your deck.

They'll have to get past me first.

- ! ...for any result of the die roll:** Redirect damage from another one of your characters onto this character equal to the die result. Reduce it by half.
- ! ...when the die result equals 3 or more:** Redirect any action aimed at another one of your characters onto this character.
- ! ...when the die result equals 6:** Mitigate the effect of that action.

To stagger them I act quickly.

- ! ...for any result of the die roll:** Attack another character with a third of the die result.
- ! ...when the die result equals 5 or more:** Cancel the action of another character.

028

029

030

3 PAT, THE SUPPORTIVE**3 NIMBLE, THE DEFIDENT****5 FLAIL, THE QUICK***I'll bring out the best in ours.**Let them waste their vim on me.**I'll strike a bunch to get one down.*

- ! ...for any result of the die roll:** Re-roll one of your dice with a result greater than 6 minus the die result.
- ! ...for any result of the die roll:** Repeat the action of one of your characters with a die roll less than the die result.

- ! ...on the first attack in the opponent's turn:** Redirect the attack onto this character.
- ! ...when the die result equals 4 or more:** Mitigate all damage to this character.

- ! ...for any result of the die roll:** Attack the number of characters equal to the die result with 1.
- ! ...when any opponent character is eliminated:** Restore health of this character by 1.

037

038

039

3 CLOVER, THE INVENTIVE**2 MATE, THE FAITHFUL****5 CALLOUS, THE SHREWD***I'll bend the luck on our behalf.**It's the team that I fight for.**I'm in for the win by all means.*

- ! ...for any result of the die roll:** Change the result of another die roll to the die result.

- ! ...when the die result equals 3 or less:** Attack another character with half your field count.
- ! ...when the die result equals 4 or more:** Attack another character with your field count.
- ! ...when you discard any character:** You must eliminate this character as well.

- ! ...for any result of the die roll:** Attack another character with the die result limited to the excess of this character's health over that of the attacked.
- ! ...for any result of the die roll:** Restore health of this character by a third of the die result. Reduce that of another one of your characters by the same amount.

046

047

048

5 LAVISH, THE CONFIDENT

6 LONE, THE RECKLESS

4 CLOUT, THE TIRED

Put your bets on me and I show you what I got.

- ...for any result of rolling one die:
Attack another character with a third of the die result.
- ...for any result of rolling two dice:
Attack another character with the lower die result.
- ...for any result of rolling one die:
Defend a character with a third of the die result.
- ...for any result of rolling two dice:
Defend a character with the lower die result.

To really shine I need some space.

- ...for any result of the die roll:
Attack another character with the die result reduced by the count of characters on your field.
- ...for any result of the die roll:
Redirect damage from this character onto another one of your characters equal to half of the die result.

I'll hit them hard but take my rest.

- ...for any result of the die roll:
Attack another character with the health of this character. Reduce it to 1 afterwards.
- ...when the die result equals 5 or more:
Suspend this character.
- ...when the die result equals 4 or less:
Suspend this character and increase their health by 1.

3 CHEER, THE HOPEFUL

4 AIDE, THE ROUSING

2 JOLT, THE CAUTIOUS

Every loss I let just stir us up.

- ...when any opponent character is eliminated:
Restore health of all of your characters by 1.
- ...when one of your characters is eliminated:
Increase health of all of your characters by 1.

Those who step up I'll back to endure.

- ...for the first action in your turn:
Increase the effect of that action by 1.
- ...for any result of the die roll:
Restore the health of all characters with a die roll equal to the die result or less by 1.

My wariness makes for an unerring blow.

- ...when the die result equals 5 or more:
Attack another character with 4.
- ...when the die result equals 4 or less:
Return this character to your deck.

9 GUST, THE IMMODERATE

6 PARRY, THE RELIABLE

5 SWAY, THE UNTOUCHABLE

To the fight I'll bring all I've got.

- ...for any result of the die roll:
Attack another character with the die result limited to this character's health. Reduce it by the same amount.
- ...for any result of the die roll:
Attack two other characters with the lower die result limited to this character's health. Reduce it by the same amount.

Count me in when they strike hard.

- ...for any result of the die roll:
Reflect damage back to an attacker equal to half the die result limited to their inflicted damage.
- ...for any result of the die roll:
Distribute the damage from one to the number of your characters equal to a third of the die result.

They'll better off not daring into my reach.

- ...for any result of the roll of one die:
Attack another character with half of the die result.
- ...for any result of the roll of a second die:
Deal the same damage to the number of other characters equal to a third of the die result.
- ...when this character is attacked:
Deal damage back to the attacker equal to a third of the die result.

2 NOVICE, THE GIFTED

3 BUOYANT, THE GUSHY

4 RESC, THE OPPORTUNE

I might be green but adapt quickly.

I'll let every success elate our hearts.

I save those in dire straits.

...when this character enters field:
Set health of this character to that of another one of your characters. They are now associated.

...for any result of the die roll:
Use an ability of the other associated character with the die result.

...when one of your characters enters field:
Increase health of one of your characters by 1.

...for each of your die rolls equal 6:
Restore health of one of your characters by 1.

...when this character enters field:
Return one of your characters with lowest health to deck.

...when the die result equals 4 or more:
Prevent elimination of one of your characters and set their health to 1.

...for any result of the die roll:
Restore health of one of your characters to half of the die result.

6 UNISON, THE ASSERTIVE

2 ACE, THE SUBLIME

3 ZEAL, THE PROTECTIVE

I make every one add to our strength.

I'll daze their heads with doubt.

I'll leap to everyone's defense.

...for each attack of one of your characters:
Increase damage of that attack by a third of your field count.

...when the die result equals 3 or less:
Defend a character with a third of your field count.

...when the die result equals 4 or more:
Defend a character with half of your field count.

...during the opponent's turn:
Reduce the effect of every opponent action by 1.

...when the die result equals 3 or more:
Suspend one of the opponent's characters.

...when the die result equals 6:
Return that character to the opponent's deck.

...on the first attack in the opponent's turn:
Defend one of your characters with 1.

...for any result of the die roll:
Half the die result and defend that number of your characters with 1.

4 TWICE, THE DEFTLY

3 SCHEME, THE PREPARED

5 MEDIAN, THE PROFICIENT

I can deal with more than just one.

I'll set something up to give us an edge.

Get me in to fight and fend.

...for any result of the die roll:
Attack two characters with the die result split evenly.

...for any result of the die roll:
Compare your following die rolls with the die result.
Increase the effect of that rolls by 1 if they are less than and 2 if they are equal to it.

...for any result of the die roll:
Compare the opponent's following die rolls with the die result.
Reduce the effect of that rolls by 1 if they are less than and 2 if they are equal to it.

...for any result of the die roll:
Attack another character with half of the die result.

...for any result of the die roll:
Defend one of your characters with half of the die result.
